catalog for the auction in St Louis  
 the front cover of your Nov 21, 2002 ~~catalog~~  
~~the front cover of your Nov 21, 2002 catalog~~  
 was a photograph I had never seen  
 before. It appears to be Farran Herbe in front of his  
 sales stall at the St Louis World's Fair of 1904  
 when he was selling the Jefferson and the McKinley  
 commemorative gold dollars. The ~~money~~ people money hanging  
 from the ceiling seems real.

Would you be nice enough to tell me where  
 that picture comes from? ~~Who~~ who made the  
 mirror image of the same scene on the back cover?

Thank you for any cooperation you can  
 give me.

Thine,

I could not find it in the indices  
 of the publications I have available
